Dear Sir

I refer to your Health and Safety submission for Term Contract for Traffic Monitoring Sites.

I am pleased to inform you that as a result of this submission your company Bridgepoint Roadmarkings Ltd has been awarded a Health & Safety competence Certificate by the Government Construction Health & Safety Officers Group. [attached]

As a result of the standardisation of the Health & Safety assessment process this certificate may, during the period of its validity and subject to no change in circumstances affecting its award, be used by you (the named company / specified business address) in future NI CoPE projects to demonstrate you have the necessary competence and resources to manage Health and Safety in compliance with the Construction (Design and Management) Regulations (Northern Ireland) 2007 [CDM 2007] and the relevant industry guidance.
